

Service Above Self

May 3, 2010

Dear Rotarian:

This is an invitation for you to help sponsor an exciting All-American celebration! For the past 24 years, the Rotary Clubs in Paris have provided an exceptional service through the Community Fireworks Celebration honoring the birthday of this great country we call home. In honor of the 25th Anniversary, our Silver Jubilee, we are planning the largest fireworks celebration event that has ever been done before. We invite you to join us in providing this wonderful service to over 20,000 people in our community.

The Community Fireworks Celebration will be held on Saturday, July 3rd, at Noyes Stadium on the campus of Paris Junior College. Our premier show will begin with patriotic selections from the Paris Municipal Band, the oldest in Texas. The Boy Scouts of America will present the colors, and you won't want to miss the thrill of the Blue Skies Parachute Team as they make their entrance into the stadium just as the fireworks begin. In keeping with our Silver Jubilee, Pyrotechnico, Inc, has assured a high quality, dazzling fireworks display complete with synchronized patriotic music. The main festivities will be held in the stadium, the best place to hear the band, listen to the comments shared among friends, feel the chills of watching as the colors are posted, have a bird's eye view of the skydivers, and revel in the sights and sounds of the fireworks exploding.

We are asking you or your organization to consider making a donation of \$50, \$500 or whatever you can to help provide this show. All donations are fully tax deductible. As Presidents of the local Rotary Clubs, we appreciate your consideration and hope we can count on your support to make this one of the best fireworks events ever! Should you have any questions, please give us a call.

Sincerely yours,
